Dear Mr. Lederberg and Mr. Nichols:

Thank you for your letter regarding AID's request to reprogram \$2 million into the World Health Organization's "Special Programme of Human Reproduction." I appreciate your taking the time to share your thoughts with me on this matter and please excuse the late reply.

S. 2714, which calls for an authorization for the program of interest to you was passed by the Senate last week. There has not been action on this proposal in the House Foreign Affairs Committee as of yet. Should such a funding bill result, you can be assured that I will keep your views in mind.

Again, thank you for writing. Please continue to contact me on matters of importance to you.

Sincerely,

  
Bill Green  
Member of Congress
